Sizing and Spacing:

The SOYLEIC logo shall be printed on packaging and promotional materials at a minimum width of 3.5" and with the corresponding height of no less than 1.75". The logo shall not be stretched or condensed. Clear space between this logo and another piece on all sides shall be no less than the distance between the "I" and the "C", with a minimum of .125".

The designation ™ shall be used with the SOYLEIC logo, applied on the top right, between the "C" and the right-most leaflet.

For text references, SOYLEIC shall be printed in capital letters using the font Myriad Pro - Condensed.

LOGO USAGE

* Indicates preferred usage.

** Reverse acceptable.
