Describe your concept in 250 words. Please include initial design idea and what soy-products and activities you plan to showcase.

How will it bring value to the soy-focused agricultural education?

Upon completion of the winning idea by MSMC, how do you see the bus being best utilized?

What DESE standards are applicable to your concept & describe?

What is the key demographic for your concept and why? (ex: elementary, middle school, etc.)

If selected to present in the second round & won, what would you use the funds for?
